

## Number of Fall 2014 First-Time Beginners with Pre-College Credit by Credit Type

Note: Some students may have earned credit through more than one of the indicated types. If credit was earned through more than one means, ACP was counted first, followed by test credit, and finally external dual credit. Each student is counted once per course in the order listed above.

ACP credit is earned through Indiana University's Advanced College Placement program and appears on the student's IU transcript.

Test credit is earned through successful completion of either an AP, IB, CLEP, or other qualifying exam.

External dual credit is earned through successful completion of a dual credit course in high school sponsored by an institution other than Indiana University.
