Passport Mission

- Ensure general coordination between the two institutions in regard to credit courses, non-credit courses, student services, needs assessment, and marketing.
- Monitor and help promote coordinated student services to facilitate student transfers, concurrent enrollment, and course credit transfer.
- Promote both institutions as distinct post-secondary institutions with differentiated missions which collaborate to meet the full range of community needs.
- Collaboration with students, staff, faculty, and administrators at both IUPUI and Ivy Tech is paramount in the Passport's ability to provide services that support transfer student preparation, planning, transition, and overall success.

Passport Services

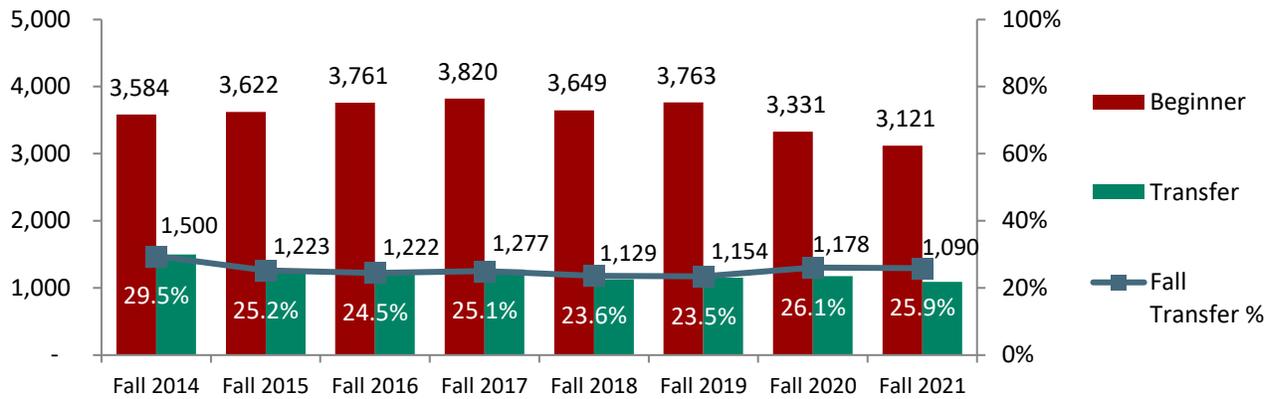

- Pre-Transfer Advising
- Creation and Maintenance of Articulation Agreements
- Transitional Programming Marketing Materials
- The Passport to IUPUI Scholarship
- The Ivy Tech Guest Student Application Advisor Training and Resources
- Passport's Annual Event

AY 2019-21 Years at a Glance of Passport Program Accomplishments

- Due to COVID-19, the Passport program staff worked virtually from July 1, 2020 - June 30, 2021. Therefore, in-person appointments and events were not permitted and students were unable to be served as walk-in students.
- From July 1, 2020 - June 30, 2021, the Passport program advisor staff was only 50% staffed with one advisor.

Comparison of New Beginners to New Transfers in Fall Semesters

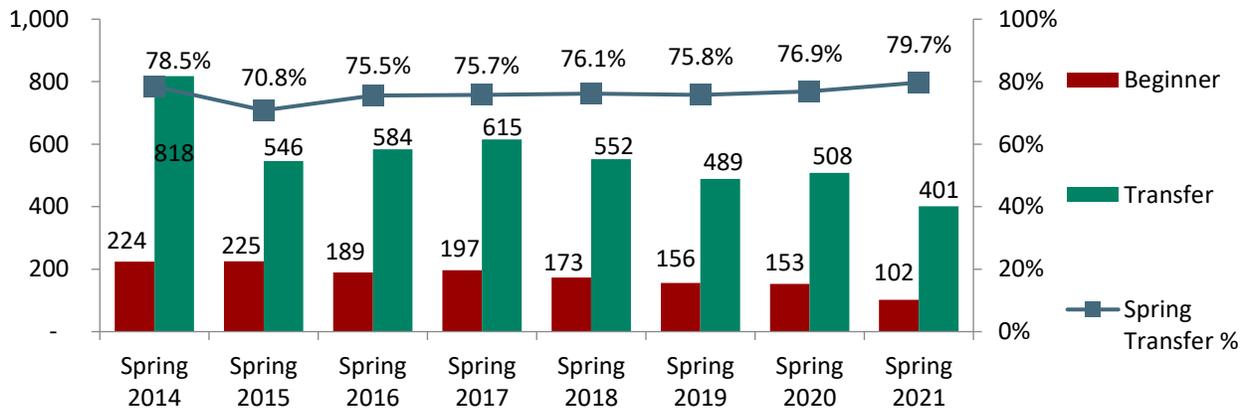

Transfer Students Headcounts Comparison between Ivy Tech and Other Schools

	Fall 2014	Fall 2015	Fall 2016	Fall 2017	Fall 2018	Fall 2019	Fall 2020	Fall 2021
Ivy Tech	701	602	589	532	507	537	578	521
Transfers From Other Schools	799	621	633	745	622	617	600	569

The number of new beginners and new transfers declined substantially compared to the previous fall term. Since both cohorts decreased at roughly the same rate, the proportion of new transfers in fall 2021 remains relatively close to fall 2020.

Fall to Spring Count Comparisons

Comparison of New Beginners to New Transfers in Spring Semesters

	Spring 2014	Spring 2015	Spring 2016	Spring 2017	Spring 2018	Spring 2019	Spring 2020	Spring 2021
Ivy Tech	423	267	286	295	251	240	233	211
Transfers From Other Schools	395	279	298	320	301	249	275	190

The number of new beginners and new transfers in spring 2021 decreased rather significantly compared to the previous spring term. However, the new beginners' number decreased at a higher rate than new transfers. As a result, in spring 2021, the proportion of new students who were transfers was higher compared to last year.

Fall to Spring Count Comparisons

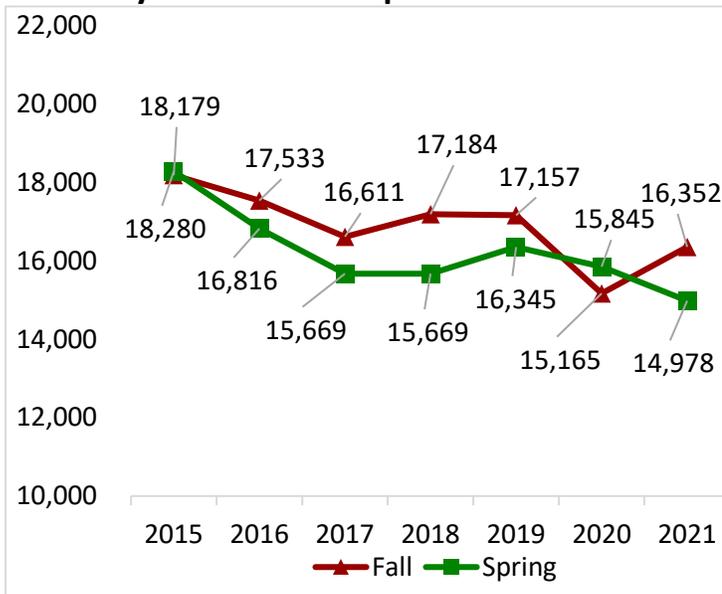

Academic Year, New Student Contributions by Admit Type and Semester

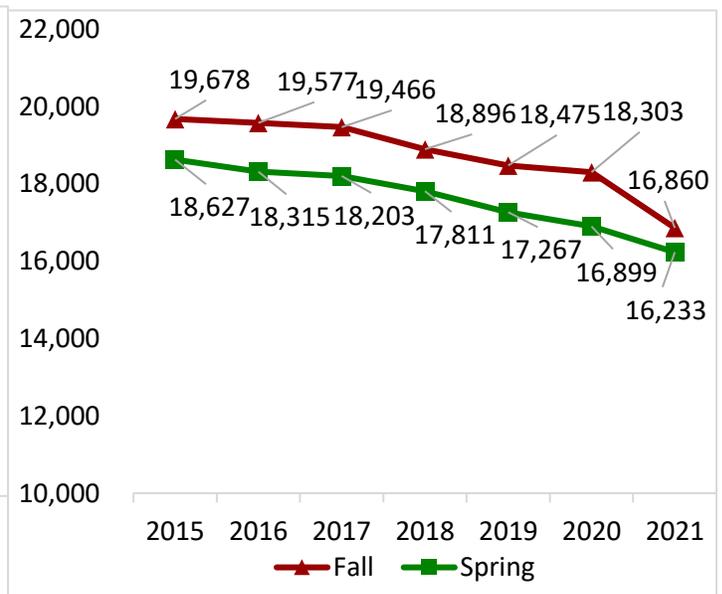

The proportion of new beginners starting in the spring semester was slightly lower than the previous year, which continues the existing trend. The number of new transfers who started in the fall was slightly higher than last year, however, the numbers of new transfers in the spring was significantly lower than last year.

Comparison of Fall and Spring Total Undergraduate Enrollments by Academic Year

Ivy Tech – Indianapolis Service Area

IUPUI

Undergraduate enrollment at IUPUI in both fall and spring terms was lower than the previous year. Meanwhile, Ivy Tech’s Indianapolis Service Area enrollment in Spring 2021 was less than previous spring term. However, Ivy Tech experienced a significant increase in the number of students enrolled in the Fall 2021.

Articulations of Transfer Credits within TES (Transfer Evaluation System)

Number of Courses Articulated in TES (Transfer Evaluation System) by Major Feeder Institutions

The Center for Transfer and Adult Students (CTAS), in conjunction with the Office of Undergraduate Admissions, has been the leader across all IU campuses statewide in utilizing the Transfer Evaluation System (TES). TES is used for transfer equivalency recording and contains a student-facing portion of the program known as Transferology. TES and Transferology are used by hundreds of colleges nationwide and is quickly becoming the leader in assisting students with quickly finding their equivalencies. More than 10,000 Ivy Tech courses now have articulations in TES, compared to about 5,500 from all other colleges and universities in Indiana.
